

Adventure Club

Handbook 2021-2022

Welcome to Adventure Club 2021 – 2022 School Year

The Adventure Club would like to thank you for allowing your child to attend the Judson ISD afterschool and/or summer program. This handbook was designed to inform parents of the policies and procedures of the Adventure Club. To ensure a safe, healthy, and fun environment for all our members, we ask that you familiarize yourself and your child (ren) with the rules and guidelines. If at any time you have questions or concerns, please call (210)619-0427 and ask for Adventure Club.

Club membership is required for participation. Club members must be in Grades Pre-K3 - 5th grade to join the Adventure Club. Pre-K 3 and Pre-K 4 students are encouraged to bring a change of clothes if not toilet trained. Adventure Club will not discriminate against any individual on the basis of sex, religion, race, color, national origin or disability.

Program Description:

Adventure Club staff members strive to capitalize on the interests and developmental needs of the child, while encouraging them to utilize their own special talents and skills. Emphasis is placed on facilitating the child's success in socialization, enrichment, and recreation through a variety of experiences.

Although activities do contain structure, there is always an allowance for spontaneity. Activities are balanced in terms of staff directed/child-initiated, group/individual, active/inactive experiences to allow for variety. In planning activities, staff members try to keep in mind the content and style of the activity, characteristics of the school and community and resources available to them. Our staff has a structured plan to promote the consistency of a daily routine. The daily plan requires consistent scheduling for recreation, snack, homework, etc.

Staff Relationship:

If your child has a problem while at Adventure Club, please encourage him/her to talk with a staff member or any of our office staff. Problems can be resolved only through communication and cooperation with one another. We ask parents to contact us to discuss any concerns.

Adventure Club Program Expectations from Parents/Guardians

The program expects that parents will:

- Pay close attention to any communications from Adventure Club after School Program Staff regarding their child's behavior and cooperate in efforts to improve behavioral problems.
- It is **unacceptable** for a parent/legal guardian to express hostility in any manner, including violence or foul language, towards a JISD staff member or JISD participants. This can result in immediate suspension or dismissal of your child from the program and possibly contacting the

local police department (i.e., use of foul language, physically touching a staff member, expressing anger in front of the children in the JISD program, expressing anger toward children in the JISD program, etc.) or can result in parent removal or suspension from the campus or district property.

- Parents/guardians are responsible for providing transportation.
- When visiting the office, parents/guardians must sign in.

Discipline:

Behavior standards for the children remain the same and extend from the regular school day. The children will know what behavior is expected, as well as the rewards and consequences of their behavior choices. The Adventure Club Staff will work in cooperation with parents to solve discipline problems. A disciplinary problem is defined as one in which a child is hampering the smooth flow of the program by requiring constant one-on-one attention; inflicts physical or emotional harm on other children; physically and/or verbally abusing staff; or is unwilling to comply with the rules and guidelines of the program. If a child fails to comply with the rules and guidelines of the program, it will result in the child being written up on an incident report. Once the child has received three (3) incident reports, they will be dismissed from the program. Inability or unwillingness to meet appropriate behavior standards will result in the withdrawal of the student from the program. Depending on the severity of the situation, a child can be dismissed from the program at any time. When imposing discipline, the Adventure Club will follow the Judson ISD Code of Conduct outlined in the Judson ISD Parent/Student Handbook. Please be

aware the JISD Adventure Club program is not a behavior modification program. Children who continually disrupt or do not follow the Code of Conduct will be suspended or dismissed depending on the behavioral infraction. Students not able to adjust to the program settings; display behavior that requires constant attention from the staff; inflicts physical or emotional harm on other students, themselves, or staff; and ignores or disobeys the rules, which guide behavior during the program time may be dismissed from the program.

In most instances the following discipline procedures are utilized:

- 1st Offense – Incident Report filed and parent notified.
- 2nd Offense – Suspension, 2nd Incident Report filed and parent notified.
- 3rd Offense – Dismissal from the program, 3rd Incident Report filed and parent notified.

A student may be dismissed from the Adventure Club at any time, without reaching the third write-up, for serious infractions of policy and procedure. When a student is suspended, the tuition for that period will not be refunded or credited. If the child is dismissed, they cannot return until the following school year. All procedures and policies of the program are developed with the safety and care of the child as the primary concern. These guidelines are the minimum expectations for parents and guardians of students enrolled in the Adventure Club program. JISD policies and procedures are always in effect.

Personal Belongings:

Personal belongings are not allowed in the club (ex. iPad, iPod, MP3 Players, Cell Phones, etc.). Adventure Club is not responsible for lost or stolen items. Cell phones are brought at the discretion of each member and are to be used for safety purposes only. If a member has to contact their parent for any reason, the Adventure Club Staff must be made aware of this occurrence. Parents are encouraged to talk to their children about safety measures and about leaving all valuables at home including toys, purses, electronics and cell phones.
