

Judson Independent School District Instrument Usage Agreement Form

All students using a Judson ISD provided instrument, are obligated to pay a \$60 annual usage fee. This fee must be paid at the beginning of each school year (or can be broken up into two payments of \$30 at the beginning of each semester). This fee is used to supplement the cleaning and preventative maintenance of the normal wear on instruments.

In addition to this usage fee, parents and students agree to be financially responsible for any and all repair costs associated with keeping the JISD instrument in proper playing condition throughout the year, this includes at the time of check-in, there may be fees assessed for ANY damage done to the instrument; this includes dents beyond the normal wear of the instrument. If the damage is unrepairable, or the instrument is lost or stolen, then the parent is responsible for replacing the instrument.

Parents are also responsible for insuring the instrument through an individual insurance policy (Information available upon request from a director), or a personal homeowner's or renter's policy. These policies may help pay for repairs on the instruments.

I have read and understand the above policy, and agree to be responsible for the usage and care of the JISD instrument. Enclosed is my \$60 usage fee and completed contract.
